## Hazelton Road Reconstruction Project

Dear Stakeholder:

### Construction: Stage 2

The contractor has placed the concrete curb and gutter and bituminous pavement for Stage 2. The contractor will be opening the access from France Avenue today, weather permitting. Hazelton Road will only be open to the west Rue De France entrance. Please only turn on Hazelton Road if you plan to visit the Rue De France Shopping Area. To access York Avenue, please use the 70th Street detour.

### Construction: Stage 3

Stage 3 will include construction of the southern half of the roundabout. Access to and from France Avenue will be restored; however, traffic eastbound to York Avenue will still be limited.

### Detour

The detour directs patrons to use 70th Street and York Avenue to access local businesses on the east side of the Promenade. Rue De France will be accessible from France Avenue via Hazelton Road.

The contractor has revised the signing and striping on 70th Street as it approaches York Avenue. Flags have been placed to emphasize the changes.

### Pedestrian Access

We encourage pedestrians to use the promenade sidewalk and trail system and avoid the project area.

### Contact Information

Should you have any questions or concerns during the project, please contact Andrew Plowman at 763-287-7149 or email at [aplowman@wsbeng.com](mailto:aplowman@wsbeng.com)

### Safety

Safety is our No. 1 concern. Please use caution when traveling the area on foot or by car. Children are fascinated with construction operations, so please keep an eye on them. Expect delays and travel safely through the construction zone.

### Who to Contact in an Emergency

9-1-1 for life or property-threatening emergencies.

Sincerely,

Andrew Plowman, PE  
Project Manager  
WSB & Associates, Inc.
